Description

Idyllic destinations like Bali happen to have some of the most incredible adventures when you explore further than the beach, as this 12-day tour demonstrates. Go from whitewater rafting at Ubud's Ayung River to a bike ride along rural farms and plantations in Bulian, and a nighttime volcano hike in east Java. There's just enough free time in between to relax and catch your breath in Pemuteran, but if you'd rather spend it snorkelling or scuba diving, we're on your side.

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.
